Letter from the Crown

Unto Sir Terrell, Mistress Barb-Hah-Rah and the Barony of An Crosaire doth their Majesties Asa and Baldar send greetings and gratitude for the generous gifts. Obviously the stationery will be put to good use as will the certificate paper. The brooch pins are greatly appreciated. I will use them as tokens for the populace. The heart tin with candy was loved by the children as were the M&M's Yum, yum. Our daughters loved the small items and jewelry, and I was more than touched by the heart necklace. Mistress Barb-Hah-Rah, you are a special woman. I will always remember your kindness with Eden's birth announcement. You hold a special place in my heart. The money and calling cards are more than generous. Once again, our gratitude is great.

In service to the dream, Asa & Baldar
